TIGERS OUTCLASS FIRST REGIMENT

Militia Defeated in One-Sided Game—Tyler and McFarland Do Stellar Work.

On the Broad Street Park gridiron the Tigers went after the First Virginia Regiment football team, defeating them by the score of 25 to 0.

From the start the game was all the Tigers', and the militia could do little with the strong Tiger line, never seriously menacing their goal.

The game was full of fumbles, hardly a clean catch of a punt being made, and many of the kick-offs were juggled badly. The Tigers line was strong and their backfield played fast, hard football.

The first score came after a few minutes of play. After an exchange of punts, Tyler, on short end runs, and skin tackle plays, carried the ball over for the first touchdown. McFarland kicking the ball, Score, 6 to 0.

The Tigers received the second kick off, defending the east goal. Murphy catching the ball and coming back thirty yards on a pretty run before he was thrown. The Tigers after failing twice to gain the required distance, punted to the Regiment fifty-yard line, scoring the ball on a fumble. Again forced to kick the ball, he punted to the Regiment's ten-yard line, where it was fumbled and a Tiger secured it. McFarland dropped back to the twenty-yard line and landed a pretty goal on a drop kick, making the score 9 to 0.

On the next kick off, after a good deal of fumbling, mauling of punts and several penalties for off-side play and hurdlings, Rittenour, Murphy and Tyler pulled off several pretty end runs for substantial gains, and Tyler is shoved over for the Tigers' second touchdown. McFarland kicking easy goal, Score, 15 to 0.

The Tigers added two touchdowns in the second half, the Regiment team playing all the time on the defensive and punting whenever they got possession of the ball. Tyler scored his third touchdown early in the second half, after a gain of twenty-five yards on the forward pass to Lutenour, and a blocked punt by Augustine, which gave the Tigers the ball on the Regiment's twelve-yard line. McFarland failed on goal. Score, 20 to 0.

The last touchdown came as the result of a fumbled punt on the Regiment twenty-yard line. Tyler scooped up the ball and carried over for the fourth touchdown. McFarland kicked easy goal, Score, 26 to 0.

The game closed with the Tigers in possession of the ball on the militia's thirty-yard line.

For the Tigers, Tyler, Murphy, Rittenour, Augustine, McFarland and Teffy played good football. McFarland's kicking and Tyler's end runs being spectacular. For the Regiment, Lacy, Hankins and Calder played the best game. The line-up:

WOPANOCA WINS FROM WISE MASON

Takes Six Furlong Handicap After Hard Drive—Royal Onyx Wins All-Age Event.

NEW YORK, October 31.—Cold weather and the fact that there is very little interest left in the racing game reduced the crowd at Jamaica today to a few hundred spectators. Two handicaps were run as features. One of them, a dash of six furlongs, for two-year-olds, was won by Wopanoca, who made all the pace, but was all out to win by a half length from Wise Mason, who gave him six pounds. Sentenious, who ran in two races, was a poor third. The time was 1:14 2-5.

In the other handicap, for all ages, five and a half furlongs, Royal Onyx, standing a long, hard drive, got up to win by a length. In 1:07 3-5. Woodhams, the early pace-maker, was second, though stopping fact, and beat Nolasuka a half length. Cressina quit to nothing.

A clever ride by Ural enabled Spellbound to win the first race, for two-year-olds, six furlongs, by a head from Rockstone, who led nearly all the way, and could have won with a stronger ride. Sanguine, from a slow start, took third place. The time, 1:10 3-5.

Freely got Initiator home in the third race, for mares and fillies, at a mile and a sixteenth. She closed in fine style, and beat Fancy by a length and a half, with Queen Marguerite, the early pace-maker, a head back. The time was 1:48 2-5.

Racquet won the last race, for maidens three-year-olds, six furlongs, by a head from Queen Lead, with Florence II. in third place. The time was 1:16 1-5.

TECHS PLAY RINGS ROUND W. & L.

Blacksburg, Eleven Runs Lexingtonians Off Their Feet in First Fifteen Minutes' Play.

[Special to The Times-Dispatch.]
LYNCHBURG, VA., October 31.—Before a crowd of nearly 5,000 people, the Virginia Polytechnic Institute eleven played the Washington and Lee University eleven off its feet in the fifteen minutes of the first half. The Tech team proved superior in practically every department of the game, and the variety had no chance to score in the first half, though in the last half the Lexington eleven showed better form. The game ended with the ball in Washington and Lee's territory.

Only on two or three occasions in the two twenty-five minute halves did Washington and Lee show sufficiently strong offensive play to get through the Tech lines. In the early stages of the first half the defeated team made a number of fumbles, some of which were attributed to hard luck, but they were costly.

In seven minutes after play was called, V. B. Hodgson, by a succession of plunges and runs, took the ball over for a touchdown, but E. R. Hodgson failed on the try for a goal. In five minutes more of play, E. R. Hodgson kicked a goal from the field. A few minutes later Fuerstein, for Washington and Lee, attempted a quarter back run, but dropped the ball when tackled. Billups recovered it quickly and made a touchdown. E. R. Hodgson then kicked another goal. Just before this E. R. Hodgson tried for a field goal, but the ball struck on the outside of one of the posts and failed to go between them.

Washington and Lee scored in the second half, after about ten minutes of play on the forward pass, followed by Fuerstein's drop kick for a goal. The line-up:

SPIDERS SPRING BIG SURPRISE

Keep Tarheels Guessing Through-out Game by Spectacular Trick Plays—Carolina Wins.

[Special to The Times-Dispatch.]
CHAPEL HILL, N. C., October 31.—Carolina defeated Richmond College here today by the unusual score of 17 to 12. The Spiders, by their swift, dashing trick work, kept the Carolina eleven guessing all through the game. The score tells how exciting the game was. Carolina scored the first touchdown by straight football. By a succession of spectacular trick plays Richmond came back with a touchdown, and so the game went, Carolina scoring three touchdowns and Richmond two.

Tillett was Carolina's bright star; his tackling and running back of punts was little short of spectacular. Virginia, Manning and Belden also played good ball for Carolina. The Spiders worked the forward pass to perfection, making long gains with it time after time. Captain Lankford, Saunders, Ransome, Meredith and Chambers played good ball for Richmond. Lankford did some good line bucking. Carolina did not play her usual defensive game, and Captain Thomas was handicapped with a bad knee; however, he got off some long kicks in the second half. The game ended with the ball on Richmond's ten-yard line in their possession.
